the forget-you-not subscription service!

That's just another name for our popular "till forbidden" service — automatic annual renewal of your subscriptions. F. W. Faxon is the only fully automated library subscription agency in the world, and now you can put our IBM 360/40 computer to work for you — to assure the prompt, accurate, efficient handling of your subscriptions.

Send for our descriptive brochure and annual librarians' guide.

Library business is our only business — since 1886
